

TOWN OF BRIDGEWATER
NEW BUILDING COMMITTEE MINUTES
October 9, 2018

Draft

Meeting was called to order at 6:00 by Bruce Seely, (Ellen Quinn arrived late)

Present: Bruce Maxham, Josh Maxham, Nancy Robinson and Nope Martin

Visitors: Marge duMond

Josh moved to accept the minutes of September 11, 2018 as written. Bruce M. seconded the motion and motion carried.

Reviewed building plan sited on the field with parking spaces. Fire Station (4 bays) on east end of building and community room on west end. Discussion pros/cons of entryway, currently facing to the south opposed to on the west end of the building coming directly off from the parking lot. May effect inside configuration in regards to bathrooms and kitchen. Bruce M and Bruce S will set up an appointment with Ralph Nimtz, NBF to review the above information, Ralph may have information as to why the entryway is on the front of the building, Bruce S. would also like to get information regarding cost breakdown of building with and without the community room and areas where costs can be contained. Bruce M. will contact Ralph to set up an appointment and will let Bruce S. know of date and time. Committee may try to meet before next scheduled meeting due to timing of getting information to Selectboard and out to community.

Brief discussion of Willis Engineering contract and where Phase II work will come in project timeframe. Greg McKenney will be at next meeting to review the soil boring results and can discuss Phase II work at that time.

Discussion of timeline to bring project to a town vote in March. Nancy will follow up in getting information from the Municipal Bond Bank.

Next meeting will be on October 23, 2018 unless otherwise noticed and posted.

Being no further business, meeting adjourned at 7:20 pm.

Respectfully submitted,

Nancy Robinson
